a quick release mechanism comprising a blade suitable for surgery
allowing single handed operation of said folding knife light tool under
extreme conditions; and

a mode switch comprising:

an on feature providing illumination from said light under all
conditions and providing illumination when manually toggled on
momentarily;

an off feature preventing said light from providing illumination under
all conditions --

Allowable Subject Matter

2. Claims 1-29 are allowed.
3. The following is an examiner's statement of reasons for allowance:
4. With regard to Independent Claims 1, 22, 23, 24, 27, 28, and 29, the applicant has sufficiently amended and narrowly defined a folding knife/tool that incorporates an illuminating component in combination with multiple electrical switches, all of which include a mode switch for selecting an operation of the illumination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
